Dear Mr. McCarthy:

This will acknowledge receipt of the Employer's January 26, 2017 supplemental submission, including Position Statement and Exhibits, to its November 29, 2016 Request for Review in the subject case.

Under the Board's Rules and Regulations, Section 102.67(c), a request for review of any action of a regional director may be filed at any time following the action "until 14 days after final disposition of the proceeding by the regional director." Further, the request for review must be a "self-contained document." Section 102.67(d) of the Board's Rules and Regulations. Here, the Regional Director issued a dismissal letter on November 22, 2016. Accordingly, the last date to file a request for review, or any supplements to a request for review, was December 6, 2016. The Employer's supplemental submission here was filed on January 26, 2017, weeks after the last date for filing. Therefore, the Employer's supplemental submission is untimely and will not be forwarded to the Board for consideration.

Very truly yours,

/s/ Farah Z. Qureshi
Associate Executive Secretary
